Without the aid of want
advertising it might be
hard for you to find the
person you seek or the
thing you seek, as to find
the fabled "needle in a
haystack." But the want
ads. do just such things as
that.

"Unreal real estate" is
the kind you pay real mon-
ey for but find it hard to
sell for real money. People
that are not in touch with
the real estate ads. are the
usual investors in unreal
real estate.
